About us

Established in 1974, Dhiraj Cranes is a trusted name in industrial crane manufacturing, delivering excellence across India and beyond

We offer complete crane solutions, from design and manufacturing to installation, retrofitting, and reliable after-sales service and support

Our cranes are trusted globally, with 2000+ installations and exports to Nepal, Bangladesh, Sri Lanka, Oman, and Africa

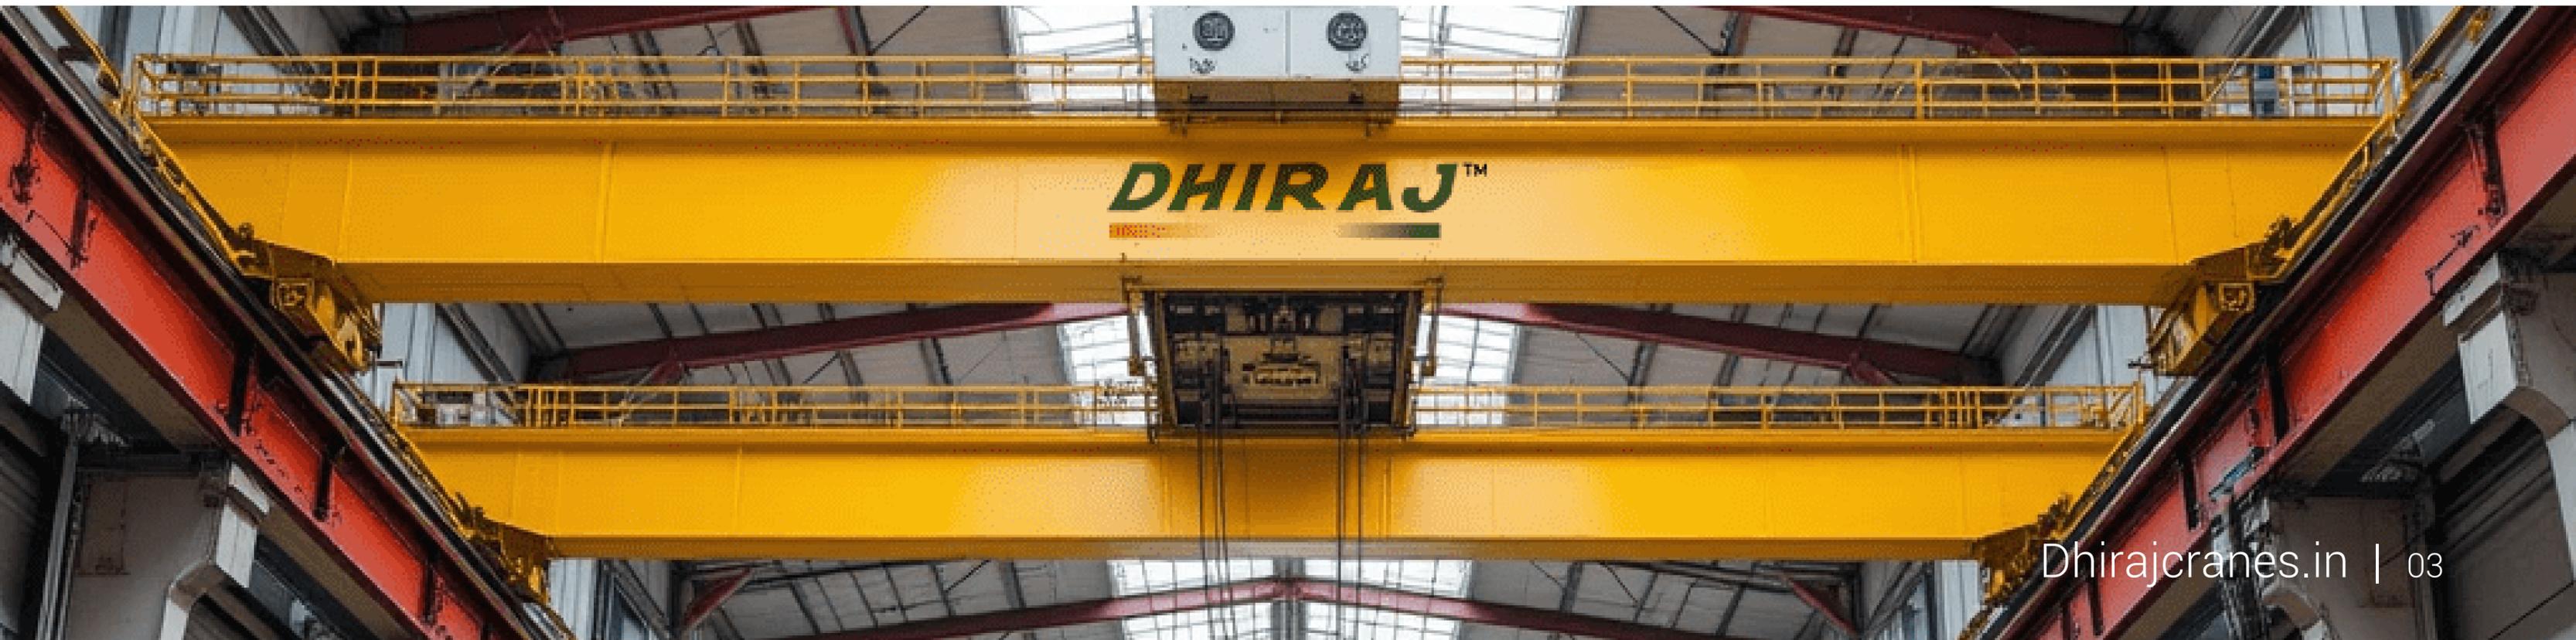

Quality-controlled manufacturing and a 100% satisfaction guarantee reflect our commitment to performance, safety, and customer trust

Our expert team brings decades of hands-on experience, ensuring every product meets the highest industrial and engineering standards

We stand out for expert craftsmanship, durable solutions, and unmatched service in every crane we deliver

Our Infrastructure

Spacious Area:

The facility spans over 50,000 square feet, providing ample space for smooth operations and future expansion.

Covered Shed:

30,000 square feet of the area is a fully covered shed, ensuring safe and weather-protected production.

High Capacity Industrial Bay

There are 5 dedicated working bays, each equipped with EOT cranes for efficient of heavy jobs handling.

In-House Machine:

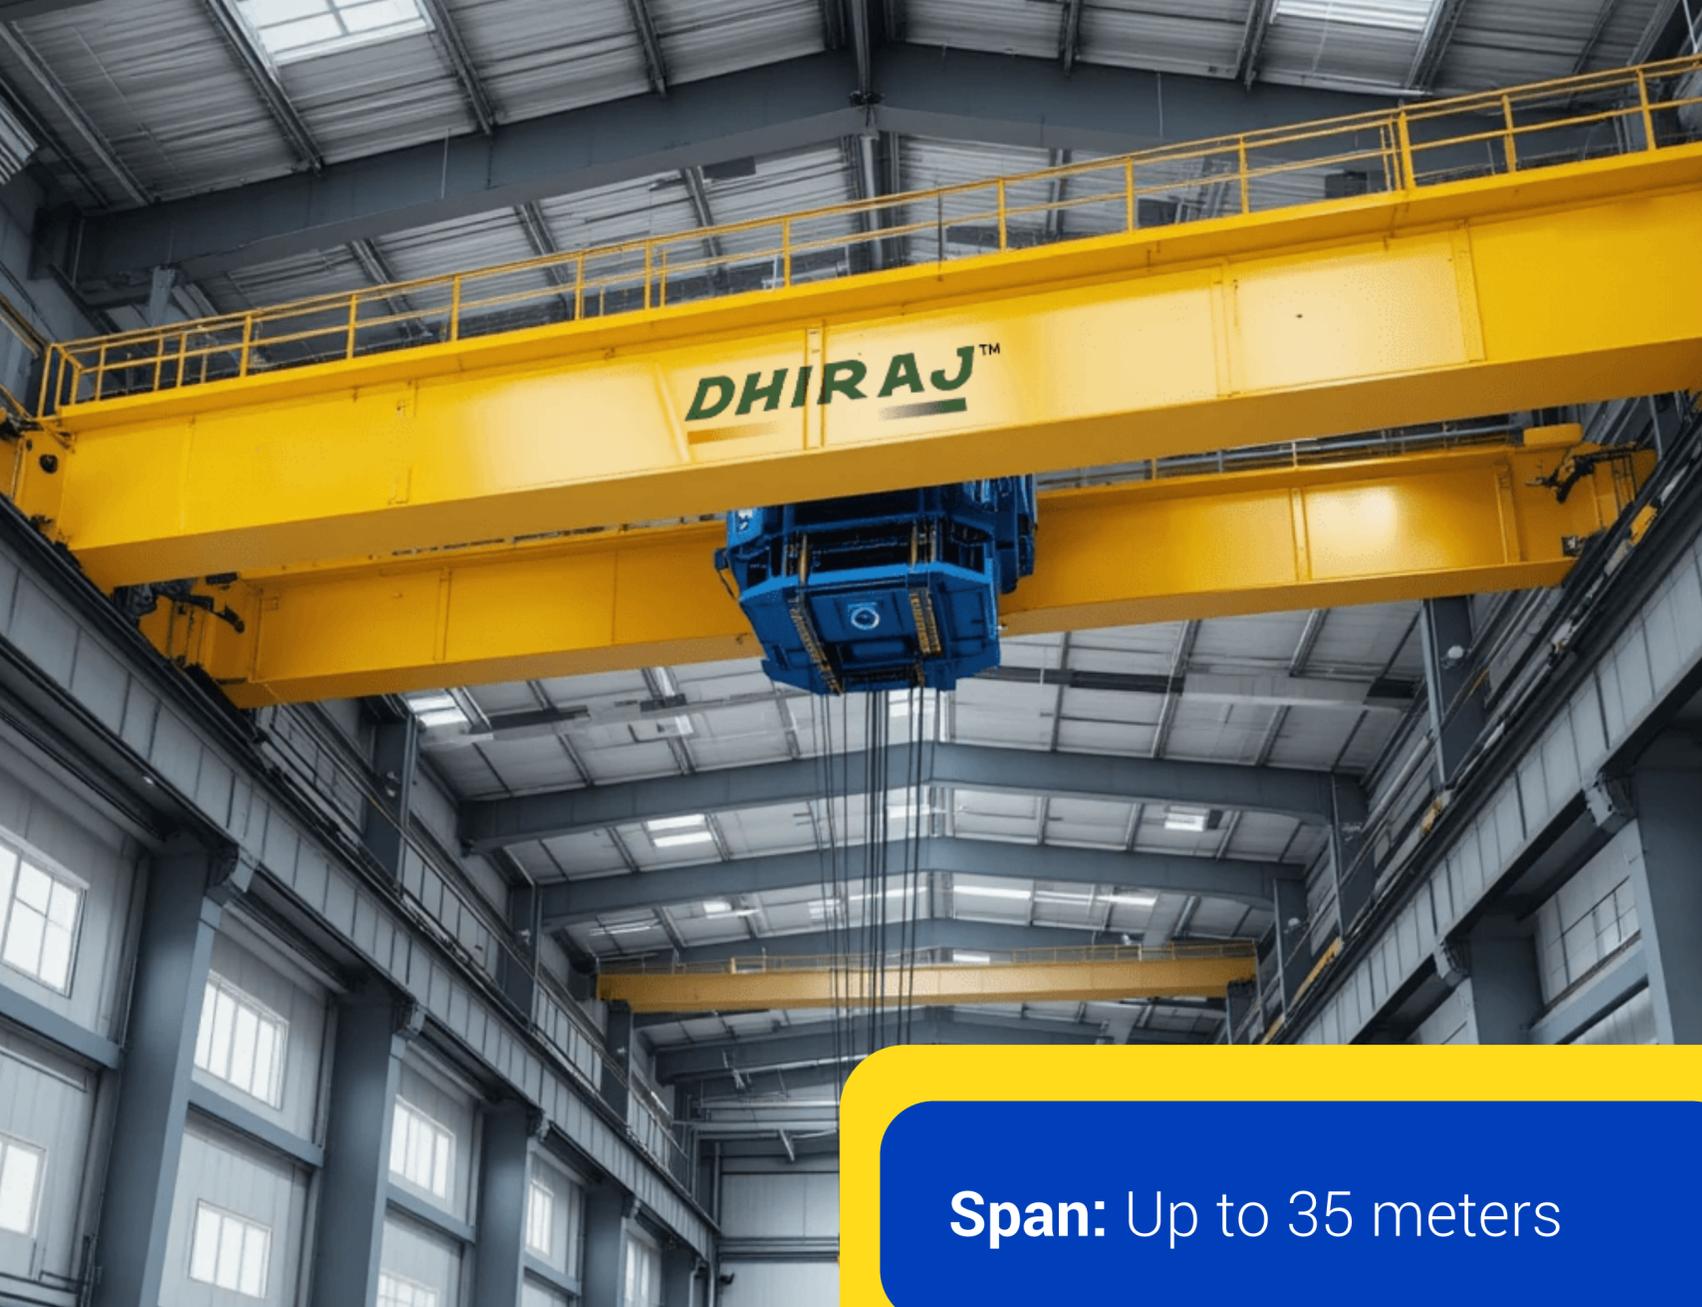

A complete in-house machine shop enables precision manufacturing and faster turnaround times.

Advanced Technology:

The infrastructure includes a state of art CNC laser cutting machine for accurate and high-quality metal cutting.

Span: Up to 35 meters

Capacity: Up to 100 tons

EOT Cranes

Reliable Lifting for Industrial Efficiency. Our EOT Cranes are designed for precision, strength, and durability in heavy-duty operations.

- ◆ **Double Girder EOT Crane**
Ideal for heavy load applications with superior strength.
- ◆ **Single Girder - EOT**
Cost-effective solution for medium load capacities.
- ◆ **Single Girder Underslung**
Perfect for areas with space constraints and lighter loads.

Goliath / Gantry Cranes

Versatility in Outdoor & Indoor Lifting. Engineered for performance in open yard and industrial spaces.

Double Girder Gantry Cranes ♦

Heavy-duty handling with higher stability.

Single Girder Gantry Cranes ♦

Efficient and budget-friendly for moderate loads.

Floor Gantry Crane ♦

Portable and easy to position for flexible operations.

Span: Up to 40 meters

Capacity: Up to 150 tons

Additional Cranes

Customized Solutions for Specialized Needs. Tailored crane systems for specific industry applications.

- ◆ **Jib Crane**
360° rotation with compact, flexible lifting.
- ◆ **EOT Grab Bucket Crane**
Perfect for bulk material handling.
- ◆ **Flame Proof Crane**
Engineered for hazardous and explosive environments.

Span: Custom-built

Capacity: Up to 25 tons
(as per need)

Hoist, Winches & Transfer Systems

Hoist ♦

Durable and powerful lifting for vertical movement.

Electric Winches ♦

Ideal for towing and lifting applications.

Transfer Trolley ♦

Smooth and efficient horizontal transport.

Seamless Material Movement
Boost productivity with dependable material transfer systems.

Span: Up to 15 meters

Capacity: 0.5 Ton to 100 Tons

Specialized Material Handling

Engineered for Precision and Safety advanced systems for controlled and synchronized movement.

- ◆ **Synchronised Lifting**
Perfect for lifting large or unbalanced loads uniformly.
- ◆ **Low Headroom**
Designed for limited space environments.

Span: As per layout

Capacity: Up to 50 tons

Material / Goods Lifts

Effortless Vertical Transport
Safe and efficient lifting of goods
across floors.

Goods Lifts ♦

Robust and reliable for warehouse,
factory, and industrial use.

Height: Up to 30 meters

Capacity: Up to 5 tons

OUR SERVICES

Crane Maintenance & Repairs

Regular maintenance, breakdown repairs, and hoist servicing to ensure smooth, safe, and long-lasting crane performance.

Emergency Support

24/7 emergency breakdown assistance with quick on-site response to minimize downtime and operational losses.

Crane Installation & Relocation

Safe dismantling, transportation, and re-installation of cranes with complete technical support for new or existing sites.

Upgrades & Consultation

Crane modification, retrofitting, and expert advisory services to boost performance, meet standards, and adapt to new requirements.

Spare Parts & Operator Training

Supply of genuine crane parts and operator training programs to ensure safety, efficiency, and proper equipment usage.
